For Kids and Families of Scott County & Surrounding Areas

Transportation of kids from Weber City Elementary to the Boys & Girls Club of Greater Kingsport is now available.

The Club is located at 1 Positive Place, Kingsport TN.

Our organization understands the importance of parents having access to reliable after school care for their kids where they can feel safe and be cared for.

It has come to our attention that many parents whose kids attend Weber City Elementary, as well as other elementary schools in Scott County, are in need of an after school care provider due to the recent closure of another provider.

We are excited to partner with Weber City Elementary to provide transportation from the elementary school to our Kingsport Club for after school care Monday-Friday until 7:00 pm.

At this current time, we will only pick students up at Weber City Elementary. Any kids in grades K-5, who can get dropped off at Weber City Elementary, are eligible to be picked up and taken to our Boys & Girls Club.

Availability is on a first come, first served basis. We are providing this service to parents as quickly as we can and we ask that you give us grace as we make adjustments and changes to accommodate as many kids as possible.

If you have additional questions about pricing or logistics please contact our CEO.

Jessica Poore- (423)-534-9513 OR jessicap@kbgc.org
