Parent Information

The Kids Club program provides students with an academic program which includes a literature based curriculum, reading and math remediation and enrichment. Other enrichments offered may include classes such as art, STEM, 4-H enrichment, physical fitness, keyboarding & music which are incorporated into the curriculum objectives, and research-based computer reading and math programs. Students are provided breakfast and lunch each day the program operates. All teachers are highly qualified and class size is small, allowing students more individualized time with an instructor. Summer School hours will be from 8:00 – 1:30 each day, Monday through Friday, June 7th through June 29th. Early drop off begins at 7:30 a.m. each morning. Buses will depart school at 1:30 pm and car riders may be picked up at 1:40 p.m. Please do not park in the bus lanes in front of the school to come inside to get your child. We will follow the regular procedures for pick ups in the afternoons. Students will be brought out to cars as you pull up in the lane. Calendars will be sent home with students that have signed up showing activities and trips planned.

Parent/Guardian Memo of Understanding & Permission

- I give my Son/Daughter permission to participate in all Summer Kids Club program activities **including field trips.** (*This is your permission authorization. Permission slips will not be sent home*)
- The 21st Century teachers and staff have my permission to record, photograph, or videotape sessions and activities in which my child will participate. Some of these may be published on the school website and in newspapers.
- I have read and understand the Scott County Discipline Code. I am aware and understand the discipline policies.
- I have read and agree to Scott County Public Schools Acceptable Use Policy for Electronic Information, Services, and Networks Agreement.
- I understand that a school nurse is not available during after school hours, no medications will be dispensed.
