NS: No score received for this subject area. Accreditation ratings are based on the other subject areas.

Notes: Accreditation ratings for this school were calculated on Oct 18, 2017 based on data received from the testing vendor on Sep 05, 2017.

*Beginning in the 2011-2012 school year, if this school has a 12th grade, the Graduation and Completion Index (GCI) is an additional indicator. Please note that in the GCI row, the number displayed in the Students Passing column is the number of GCI points awarded for Virginia board-approved diplomas and other high school completions. The number in the Students Taking column is the number of possible GCI points. Please see the Cohort Graduation application in SSWS for more detailed information on this calculation.

[1] This rating is a result of demonstrating sufficient student growth in reading and mathematics among this school's lowest-performing students.
